

# JOHN HUGELN

## CAJUN MUSIC SCHOLARSHIP FUND

# BENEFIT DANCE & DINNER

**John Hugelen** was an integral part of the Twin Cities Cajun music community. Whether performing with the Cajun Hot Soles or playing at a jam, his presence meant that something special was about to happen. He and his wife Sandy were regulars at Cajun Weekend at Folklore Village in Wisconsin and Cajun/Creole Week at Augusta Heritage Center in West Virginia. There they forged friendships with folks all over the country. John passed away on December 31 after a year-long battle with cancer. To commemorate his love for Cajun music we are raising funds to sponsor scholarships to Folklore Village and Augusta Heritage Center.
